## 10 The Top

### Top Ten Songs of 2005:

1. *Hollaback Girl* - Gwen Stefani
2. *Behind These Hazel Eyes* - Kelly Clarkson
3. *1,2 Step* - Ciara Featuring Missy Elliott
4. *Boulevard of Broken Dreams* - Green Day
5. *Wake Me Up when September Ends* - Green Day
6. *Gold Digger* - Kanye West
7. *Lonely No More* - Rob Thomas
8. *Holiday* - Green Day
9. *Cool* - Gwen Stefani
10. *Feel Good Inc* - Gorillaz

### Top 5 movies of 2005:

1. *Star Wars: Episode III* - total gross = \$380,176,000
2. *Harry Potter and the Goblet of Fire* - total gross = \$277,083,000
3. *War of the Worlds* - total gross = \$234,207,000
4. *The Chronicles of Narnia* - total gross = \$225,703,000
5. *Wedding Crashers* - total gross = \$209,218,000

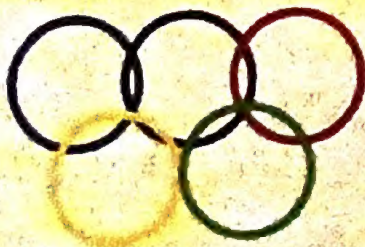

### A new Start for SW Florida Airport:

After a long wait, Fort Myers has finally opened the new South West Florida International Airport terminal. It opened Friday, September 9, 2005, and cost \$438 million to build. Many Floridians think it will be worth the money spent, because of the improved features. There are 12,000 parking spaces, 28 gates and it is twice the size of the old terminal. Also, while people are waiting for their flights, they can wander through the 26 shops and restaurants. This is a big jump towards the future for SW Florida, and the beginning of a better paradise.

### Hurricane Strikes...again:

After slamming Florida, Hurricane Katrina swirled over into the gulf of Mexico and hit New Orleans, Louisiana. It had turned into a powerful category 4 storm from the warm summer waters of the gulf. So when it hit New Orleans, homes were flooded and many people died. The death toll from September 17, 2005 was over 1,068 people from Louisiana, Alabama, Florida and Mississippi. Students in Lee County were asked to bring in money for Katrina survivors and a total of \$86,505.49 was collected. \$2,400 of that was from Caloosa Students. Thank you for the help!

### 2006 Winter Games in Torino, Italy:

The United States again is a fierce force in the Olympic Games. This year the beautiful back drop is Torino, Italy where the USA ended the games with a total of 25 metals. The 9 Gold medals were obtained in the following sports: men and woman's alpine skiing, 3 snowboarding events, 2 speed skating and short track skating. 9 Silver medals and 7 bronze metals were also won.

# What happened this year in School?

## A+ School for the 5th Year:

The purpose of the A+ program is to recognize and award public schools that have been successful in raising or maintaining high student achievement. Caloosa, and 2 other middle schools, are the only middle schools that have been A+ for 5 straight years. Caloosa was able to receive this award by scoring very high on the FCAT. "We have an outstanding staff and student body," claims Mr. Wortham about CMS. Congratulations to the students and staff for making A+ once again!

## The Newest Cougar Teachers:

This year, Caloosa has been joined by some excellent teachers. Mr. Bent is now an enrichment math teacher, Dr. Davis is the new band director, Mrs. Foley has come to Caloosa to teach reading on the Firecats team, and Ms. Foust decided that she loved CMS too much to stay away, so she now teaches Jaguar's math again. Mrs. Lieb helps students on the Firecat team with math as their new teacher. Mrs. Massie has taken on the job of the Shining Star's Language Arts class. Last but not least Mrs. Miller has joined us again to teach science for the Shining Stars. Later in the year, we were joined by Mrs. Vega and Mrs. Daniele who decided to teach Language Arts and Spanish here at Caloosa. Welcome to your new home Cougar teachers! Thank you for joining the CMS Family.

## Ms. Roberta White Joins the team:

In addition to a group of new teachers, Caloosa also has been joined by our new Assistant Principal, Ms White, she is the principal in charge of discipline and works with Mrs. Altmeyer, Mrs. Braband, Mrs. Heyer, councilors, teachers and students to ensure students are working up to their potential. Welcome Aboard Ms. White, we welcome you as a fellow Cougar.

## Mr. Wortham Retires:

Our wonderful principal of nine years, Mr. Wortham, is retiring. After seventeen years of teaching Social Studies and Math, Mr Wortham became a Caloosa Cougar in 1997 as the principal. Now that he is retiring, Mr. Wortham plans on traveling, spending more time with family and friends, and doing volunteer work. Mr. Wortham was asked if he had an advice or a message for Caloosa Students and he replied, "Always do your best, and be kind to others." Good luck Mr. Wortham, and remember, "Once a Cougar, forever a Cougar"

OM consists of five teams. Each team has a different problem to solve. Problem 1 is "The Great Parade", Problem 2 "Tech Transfer", Problem 3 "Ancient Egypt", Problem 4 "Geometry Structure", & Problem 5 "The Jungle Bloke". Each team has to build and act to the problem that they have. The OM teams at Calcoosa Middle school have been to world for two years in a row where they compete with people from all over the world. Mr. Melvin will always have great potential in his teams and hopes to continue to go to world in the next years in his competition!

# USA Club and Student Government

Usa Club is the result of the 911 tradegy. USA Club sponsors many school events like Patriot day. Many guest speakers appear in front of USA Club, for the sole purpose of the pleasure of members. Each and every CMS student is welcome to join the fun. They meet many times each year to plan their next activity.

Student Government is elected body of students who sponsor events including the canned food drive, school dances and holiday breakfasts. These are just a few of the events they sponsor. The club meets on the first tuesday of every month. They plan to oversee the mutual sucessfulness of the events they sponsor. They also support activites in the school community.

2005 - 2006 Future Problem Solvers team

Future Problem Solvers (FPS) proudly attended the FPS Regional Competition February 25, 2006 at North Fort Myers Academy of the Arts. Three teams from Caloosa Middle attended. They had to find problems in a scenario, find solutions, and select one to be their final problem. In their intense two hours, their work paid off. In first place was the team of Shelby Meaders, Joel Hurley, Christa Polstein, and Brandon Savio. They will be going to the state level competition. Coming in third place was Brea Dashield, Alysa Memoli, Alex Shultz, and Tyler Shehan. Congratulations to all the teams that participated!!
